

WAKEFIELD HIGH SCHOOL BUILDING PROJECT

COMMUNITY INFO SESSION

January 20, 2022 | 7 P.M.

Get an update on the current progress and see the conceptual design options being studied.

In December 2020, the Massachusetts School Building Authority (MSBA) invited Wakefield to collaborate in conducting a feasibility study for a potential construction project to renovate or rebuild Wakefield Memorial High School.

Agenda

1. Feasibility Study Process and Schedule
2. WMHS Existing Conditions
3. Alternative Design Option Review

The Permanent Building Committee will host a virtual community forum to review progress and see the conceptual design options that are being studied for the new Wakefield Memorial High School
