

WAKEFIELD HIGH SCHOOL BUILDING PROJECT COMMUNITY INFO SESSION

April 27, 2022 | 7:00 P.M.

Get an update on the Project's current progress and see the selected preferred conceptual design option.

In December 2020, the Massachusetts School Building Authority (MSBA) invited Wakefield to collaborate in conducting a Feasibility Study for a potential new construction project to renovate or rebuild Wakefield Memorial High School.

Agenda

1. Preferred Schematic Design Option
2. Preliminary Pricing
3. Preferred Schematic Report Submission

The Wakefield Permanent Building Committee will host a virtual Community Forum to review progress and see the conceptual design options that are being studied for the new Wakefield Memorial High School
